SUBJECT: BLUE LANTERN LEVEL 3: POST-SHIPMENT END-USE CHECK ON LICENSE
NUMBER 050189584

REF: STATE 113833

(U) On November 10, Post's Office of Military Cooperation inquired into whether the Royal Air Force of Oman (RAFO) received 23 cartridges, power device, part number 46138 and 26 cartridges for fire extinguishers, part number 446139. RAFO confirmed that they ordered the cartridges for their Super Lynx helicopter, but have not yet received them. Reftel states that the End-Use Statement provided by foreign consignee, Kidde Graviner Ltd., U.K., indicates that the cartridges were for the EH101 helicopter. Post notes that the End-Use Statement thus appears to be incorrect. Further, RAFO does not have an estimated arrival date from foreign consignee. Post recommends DTCC contact seller or foreign consignees for further information.
